# Our Mission Matters

Ronald McDonald House Charities® of the Intermountain Area (RMHC) surrounds families with the support they need to be near and care for their seriously ill or injured children. Our home-away-from-home eases daily burdens by providing families of hospitalized children with vital resources, meaningful experiences, and quality time together. For over 35 years, RMHC has supported pediatric patient families through our three core programs:

- Ronald McDonald House
- Ronald McDonald Family Rooms
- Ronald McDonald Hospitality Cart

# Become a Grand Giver

Your contribution provides a place of refuge for families during some of life's most heart-wrenching experiences. You help ensure that our doors remain open now and into the future.

When families have a place to stay they can better focus on the health of their child. We invite you to help fund our crucial work of providing comfortable accommodations, home-cooked meals, a sense of stability, and more.

*"One day a nurse asked if we'd heard of the Ronald McDonald House. Our life literally flipped 180 degrees in that moment. We went from sleeping on a concrete floor and surviving on jello cups and chocolate milk to enjoying a furnished room, complete meals, a place to shower, a place to lay down. They call it 'The House That Love Built.' It feels like you are home."*
